

Summer Book Challenge for 6th Grade PA

Please consider the following directions.

- ❖ You must read five books. You may choose whatever titles you please, but the reading level should be at your level, or above, for next fall.
- ❖ Note that there are two possible forms. One is for nonfiction and the other is for fiction.
- ❖ Word processing your analysis is preferred; please use the report forms as a guideline for content. However, you can print the form and complete it by hand.
- ❖ All five reports should be turned in to your LA block teacher no later than the first Friday of the upcoming school year.
- ❖ Successful completion of this challenge can result in a 100% pass for ONE book analysis for the 6-4 school year! (Please note that your performance within the Language Arts Block will dictate whether you will use this pass or not).
