January 2012

Dear Parents of Eighth Graders (Class of 2016):

As you prepare for your eighth grade student’s transition to high school, we’d like to remind you of our final informational evening entitled Neuqua Valley’s High School 101. This presentation will focus on what you need to know about the upcoming transition to high school and course enrollment.

January 17th High School 101 NV Main Auditorium 7pm

We also encourage families to attend the Advanced Placement & Honors Info Night and the Eighth Grade Open House Program at Neuqua Valley High school. These evenings provide opportunities to talk with faculty from each department as you finalize course selections for your student’s freshman year.
